

# Looking for a way into a rewarding career...

## ...that doesn't involve high stakes exams?

VET is job focussed, prepares you for the real world of work and is a viable route into a rewarding career.

**"VET was a saving grace for me. I now find myself personally and professionally so significantly more advanced than I'd ever expected and my self confidence has sky-rocketed."**

*Steven Jeffrey  
Builder/carpenter and VET graduate*

# Did you know..?

**VET is different.  
There are no marks or trick questions.**

**Assessments measure what really matters at work -  
whether you are competent to do the job or not.**

There are 7 different VET qualification levels, 100s of different courses, and 1000s of training providers around Australia.

You can do an apprenticeship or study as part of your job or independently, while at school, when you leave or as a mature student, whenever it suits you.

**VET makes you more employable.  
It can help you start, advance or change your career.**

VET is nationally recognised and valued by employers, including some of Australia's biggest companies. If you think VET is just for trades, think again.

**You'll be surprised at the range of careers  
- from Aeronautical Engineer to Zookeeper -  
available through VET.**

VET graduate starting salaries are comparable to and sometimes higher than Uni graduate starting salaries.

There's also financial help for many VET courses.
